# About Company

Invent HR India, established in 2020, is a leading HR consulting firm delivering tailored personnel solutions to meet diverse operational and HR needs. We specialize in recruitment, staffing, payroll, statutory compliance, and HR services across domains. Our customizable solutions ensure improved compliance and streamlined audits for companies of all sizes.

## Vision

Our vision is to partner with premier clients with the intention of providing Economically & value-added Executive Search services and graduating to a 'preferred' or 'first-choice' status with a majority of the organizations that we are servicing.

## Mission

We as a team work towards the vision of the company and strive to become highly professional firm with the best professionals in the field of human resource. We believe in the highest customer satisfaction by creating personal touch with our clients.

# Services

## Audit & Compliance

provide tech-driven business solutions ensuring compliance with government procedures and minimizing manual intervention.

## Industrial Licensing

Our Industrial Licensing service simplifies the process of obtaining and maintaining licenses for businesses across various sectors.

## Statutory Compliance Services

We ensure seamless compliance with labor laws (PF, ESIC, PT, LWF, PoSH, CLRA, Shops & Establishments), preventing legal issues and promoting employee well-being.

## Payroll Management

We provide comprehensive payroll management, including pay slips, bank statements, statutory reports, bonuses, and tax processing.

## HR Audit

An HR audit reviews policies, practices, and procedures to assess efficiency, compliance, mitigate risks, and align with industry best practices.

## Factory Compliance Services

Factory Compliance services ensure manufacturing facilities meet regulatory standards, mitigate risks, and maintain industry safety and efficiency.

## Flexi Staffing Services

Our Flexi Staffing services provide cost-effective workforce scalability, ensuring the right talent for project needs or seasonal demand without long-term commitments.

## Housekeeping Services

To accomplish our objective of providing world class housekeeping service we give intense physical training to all our housekeepers.

## Security Services

Our security services provide 24/7 protection, combining professionalism and expertise to safeguard your business from potential risks.
